Pedro Firmino

Web development & interactive media
3rd-year BUT MMI student, looking for a work-study position

Curious and eager to learn, I build websites and interfaces, from design to deployment. I enjoy concrete projects, understanding how things work, and learning from more experienced developers. I'm looking for a work-study position to grow into a software engineer.

Experience *academic & professional projects*

Internship — Apr - Jun 2026
France 3 Normandie
Rouen
- *Control room, camera work and visuals within the technical team*
- *Graphics and video editing (Photoshop, After Effects)*

Entrepreneurial project — Jan 2026
Suri Studio
suristudio.fr
- *UI/UX design and front-end development of an agency website*
- *Asynchronous navigation and animated transitions (JavaScript & GSAP)*

Client projects — Sep - Dec 2025
Groupe Lhotellier & Maison Sport Santé
Val-de-Reuil, Elbeuf
- *Recruitment short-video series and a multicam interview*
- *From shooting to delivery: sound, editing, color grading*

Education

2024 – 2027 — **BUT in Multimedia and Internet Professions**
IUT de Rouen, Elbeuf campus

2024 — **STI2D Baccalaureate (high school diploma)**
Lycée Blaise Pascal, Rouen
